Quality Pasta Company Announces the Grand Opening of an all new, state of the art food packaging facility in Charleroi PA.

Paul A. DeStefano, President of Quality Pasta Company Announces:

We are very pleased to announce the opening of our new dry grocery production facility to serve the needs of local, regional, and national retailers and food companies seeking high quality products! We seek to bring our vast experience to manufacture and market private brand side dish items, contract production projects, and our own portfolio of macaroni & cheese side dish items supported by the fundamentals of high service, integrity, and quality.

Our goal is to serve our customers well, deliver great products, and to grow our business. We believe in re-investment in our business, transparency in our transactions, and in developing good jobs for all of our valued employees.

We want to thank the community of Charleroi, the county of Washington, and the great Commonwealth of Pennsylvania for welcoming us to this historic region and for their enthusiastic support of our efforts.

Our grand opening ribbon cutting ceremony will begin at 10:30 a.m. and conclude at noon on October 23rd, 2014 at 100 Chamber Plaza Charleroi, PA for invited guests, business partners, friends, family and employees.

This celebration commemorates our founding and is intended to thank our supporters as well as serve as a launch point for our future successes here in Charleroi, Pennsylvania.
